

# Canada's North is Open for Business

## Export Opportunities are Abundant in Canada's North!

Attend the [Northern Lights Business and Cultural Showcase 2014](#) to explore the abundant opportunities developing in Canada's central, eastern Arctic and northern regions. Canada's North offers opportunities in:

- mining,
- energy developments,
- military investments,
- transportation, housing, infrastructure and economic development (both private and public),
- commercial fisheries,
- a rapidly growing consumer and business market with a strong demand for a wide range of imported goods and services.

The conference sessions will provide information pertaining to major developments and key partnership opportunities in nearly every sector and region in Canada's north.

Join the U.S. Commercial Service to explore these exciting opportunities and receive a 10% discount off the regular conference fee.

### The U.S. Commercial Service program includes:

- full conference pass, with access to: the Opening Ceremonies Meet & Greet
- access to the trade show floor and all conference activities *(Excluding those that require a special ticket)*
- access to a special briefing and procurement workshop, designed exclusively for U.S. registrants, on how to sell into Canada's North
